

DAMNED IF YOU DO
©2015 Stephen John Minotti

I may sink or I may float
I can hop on the wagon
Or I can miss the boat
Can't say I will I can't say I won't

I'd be Damned If I Do Damned If I Don't

There's a bitter pill
That you can sugar coat
There's dirty laundry
Your gonna have to tote
And to take it all you have to go for broke

Damned If You Do, Damned If You Don't

Damned If You Do
Damned If Don't
I may sink or I may float
And I'll be damned if I do

Right through the intro
To the final note
Through all the cliché
And the word of love I've spoke
Misunderstanding in a single quote

Damned If You Do, Damned If You Don't
Damned If You Do, Damned If You Don't
Misunderstanding in a single quote
Damned If You Do, Damned If You Don't

I may sink I may float
Hop the wagon miss the boat
Bitter pill you sugar coat
Dirty laundry that you tote
Can't say I will say I won't

Damned If You Do Damned If You Do
Damned If You Do
Seems I'm Damned either way
