

I CAN'T BE WITH YOU TONIGHT

©1982 Stephen John Minotti

You know I'm sorry for things I've said
But I can't help feeling what's in my head
Though I admit we made mistakes
But you gambled with love and used me as the stakes

I remember the times you said to me darling
Things aren't working out quite right
I hope you'll understand the reason why
I can't be with you tonight

You know I could never love you more
But I don't know what you're looking for
You can't stop your love when it falls off course
And with your freedom always comes remorse

I remember the times you said you loved me
And you held me close into you tight, all night
I hope you understand the reason why
I can't be with you tonight

I remember the times you said you loved me
And you held me close into you tight, all night
I hope you understand the reason why
I can't be with you tonight

I can't be with you tonight
I can't be with you tonight
Tonight
