

SECRETS IN YOUR HEART

©1982 Stephen John Minotti

You make me feel your love's so gentle
I guess that I'm just sentimental
When your eyes give away
The Secrets In Your Heart

Up to now my life's been a disaster
I've made up my mind you're the one I'm after
Look at me can't you see
I've loved you from the start
It don't get any deeper in my heart

Someone tell me please what happened
I've never felt like this before
Sandy it's your spell I'm trapped in
And it's time to let your heart
Go and make a brand new start (Sandy)

Don't say no don't say there's another
I won't settle on any other
When your eyes give away
The Secrets In Your Heart

I never wanted this to happen
But I can't help myself anymore
Sandy it's your spell I'm trapped in
It's time to let your heart
Go and make a brand new start (Sandy)

You make me feel your love's so gentle
I guess that I'm just sentimental
When your eyes give away
The Secrets In Your Heart

Up to now my life's been a disaster
I've made up my mind you're the one I'm after
Look at me can't you see
I've loved you from the start
It don't get any deeper in my heart
