You Don't Have To Do Nothing
You Don't Have To Do Nothing
You Don't Have To Do Nothing
To make me feel this way

Your eyes they twinkle like the stars
As we're driving down the highway
From the headlights on the cars
I wanna love you with all my might
I want to hold you in the morning and make love again that night

You Don't Have To Do Nothing
You Don't Have To Do Nothing
You Don't Have To Do Nothing
To make me feel this way

You're a picture right out of a dream
You're the cover story
On a Glamour Magazine
And I can't get you out of my mind
You have a smile so electrifying all woman sweet and fine

You Don't Have To Do Nothing
You Don't Have To Do Nothing
You Don't Have To Do Nothing
To make me feel this way

There's no distance that can keep us apart
There will always be a place right here inside my heart
And I don't know how long it will last
But tomorrow's in our future and yesterday's just past

You Don't Have To Do Nothing
You Don't Have To Do Nothing
You Don't Have To Do Nothing
To make me feel this way

You Don't Have To Do Nothing
You Don't Have To Do Nothing
You Don't Have To Do Nothing
To make me love you again
