

SUSANNE

©1982 Stephen John Minotti

Every cloud has a rainbow
Every tear has a smile
Behind every man there's a woman waiting for him
Susanne I want to make yours, mine
With a love no one can define

Every god has a heaven
That's where everybody wants to go
But I don't care as long as they send me where you'll be
Susanne your love I will pursue
To where ever it might lead me to

Nothing worth it comes easy God I know it true
If you take your time I know you'll find
There's nothing I won't do
Nothing I won't do for you

They say nothing lasts forever
What were good time now old memories
I'm not afraid to want to try with you forever
Susanne I've loved you for so long
Trust me with your heart you can't go wrong, know you can't go wrong

Nothing worth it comes easy you should know it's true
If you take your time I know you'll find
There's nothing I won't do
There's nothing I won't do
Nothing I won't do for you
